E have on hand and offer for sale the above celebrated cooking stoves. The many persons using this stove, in this and other cities, declare themselves delighted with its operation, and bear testimony of its superiority over any other cooking stove ever offered to the public. In addition to its unsurpassed facilities for boiling, roast ing, broiling, &c. it has the advantage of having an oven nearly twice as large as any other stove in use, which is heated with the most per tect uniformity, by which bread without being turned will bake on all sides as perfectly as can be done in a brick oven. It requires, also, much less fuel than is generally used in other cooking stoves, one half the ordinary quantity being amply sufficient for all purposes. For the operation of the stove we respectfully refer to the following to call and get bargains for the coming year at very reduced prices. persons who have it in use: C. W. Cady, Morris Morris, Rev. The following statement is from a gentleman who is one of the examine their stock before purchasing elsewhere. Store a few first Druggists in the city of Providence, and from his extensive knowledge of medicines of every kind, and his experience of the effects of Sands' Sarsaparilla, his opinion is one of peculiar value to the afflicted. Sands's Sarsaparilla.-I speak experimentally when I say that this medicine is far more effectual in the cure of chronic or acute theumatism than any other preparation I have ever tested. Having endured extreme suffering at times within the last five years from repeated attacks of inflammatory or acute Rheumatism, I have recently used Sands' Sarsaparilla with the happiest success; my health is now better than it has been for many months past, my ap-petite is good, and my strength is rapidly returning. I attribute this healthful change entirely to the use of this potent medicine. Freding a deep sympathy with those who are afflicted with this most tormenting and painful complaint, I cannot refrain from earmestly recommending to such the use of this valuable specific. Having the most entire confidence in the medicine and skill of Doctor Sands, I was induced thereby to try the effects of their Sarsaparilla, and I take pleasure in adding my testimony to that of many

others commendatory of its invaluable properties, unknown to and masolicited by the Messes, Sands. CHARLES DYER, Jr. Druggist and Apothecary, 40 and 42 Westminster street, Providence, R. L.
